The Catholic Church's 106th Day of Migrants & Refugees

MESSAGE FROM THE POPE

During the flight into Egypt, the child Jesus experienced with his parents the tragic fate of the displaced and refugees, "which is marked by fear, uncertainty and unease (Mt 2:13-15, 19-23). Unfortunately, in our own times, millions of families can identify with this sad reality. Almost every day the television and papers carry news of refugees fleeing from hunger, war and other grave dangers, in search of security and a dignified life for themselves and for their families" In each of these people, forced to flee to safety, Jesus is present as he was at the time of Herod. In the faces of the hungry, the thirsty, the naked, the sick, strangers and prisoners, we are called to see the face of Christ who pleads with us to help (Mt 25:31-46). If we can recognize him in those faces, we will be the ones to thank him for having been able to meet, love and serve him in them.
