## TWELFTH SUNDAY OF THE YEAR

### Month of the Sacred Heart

### Climate Change Campaign Message from CAFOD

The poorest countries are facing a health and an economic crisis. In addition, many are feeling the effects of climate change already. 2021 is a critical year as the UK is hosting two major global meetings – the G7 Summit in June and the UN Climate talks, COP26, in November. With the eyes of the world on us, we want the UK to play a leading role.

#### SYRIAN REFUGEE SUPPORT SCHEME

The Syrian refugee group has now secured a house to rent. When the Home Office receives the necessary paperwork a suitable family currently living in one of the refugee camps should arrive with us in October.

There is much to do in preparation but the group will be particularly looking for donations of furniture and household items. More news to follow in the coming weeks.

Thank you for your support and prayers
