ANNUAL SUBS NOW DUE PLEASE

St Camillus of Lellis 1550- 1640

- an unlikely candidate for sainthood in his early life!

A difficult childhood and an early problem with gambling led to extreme poverty.

The Capuchins took him on as a helper in a hospital. A homily at Mass led him to a radical conversion and priestly vocation with a special ministry to the sick.

His work became the forerunner of the Red Cross and he is patron of hospitals, nurses and care workers.

St Camillus. pray for us.

SYRIAN REFUGEE SUPPORT SCHEME

Many thanks for the offers of household goods that have come in to furnish the house to be occupied by the Syrian family. Please wait to hear through the news sheet when we hope to make arrangements to view what has been offered. *Peter Fahy*

St Joseph's Property Development Scheme

It seems a long time since November 2019 when as a parish we agreed to move forward to a development of our property to work towards a wiser use of our resources for the future. Much has gone on however and now we are in a position to put out to tender our chosen scheme of a new Presbytery and a housing development on the car park site; a restoration of the Centre; and designated church carpark on the present Presbytery site. We look forward to the fruition of these plans with the Lord's help. Fr Peter
