### The Transfiguration of Jesus -

*Pope Francis reflects:*

"Rabbi, it is good that we are here!"  
The Apostle's expression of appreciation is a reminder that the Lord never lets darkness have the final word.  
When we face seemingly endless trials, we need another point of view: "a light which illuminates in depth the mystery of life and helps us to move beyond our frame of mind and the criteria of this world.  
We too, are called to climb the mountain with Jesus to have every fragment of our lives illuminated by His victory at Easter."

## St John Vianney

"Private prayer is like straw scattered here and there: If you set it on fire, it makes a lot of little flames. But gather these straws into a bundle and light them, and you get a mighty fire, rising like a column into the sky; public prayer is like that."

### Prayer of St. John Vianney

I love You, O my God,  
and my only desire is to love You until  
the last breath of my life.  
I love You, O my infinitely lovable God,  
and I would rather die loving You,  
than live without loving You.  
I love You, Lord and the only grace I ask  
is to love You eternally...  
My God, if my tongue  
cannot say in every moment  
that I love You,  
I want my heart to repeat it to You as  
often as I draw breath.
