POPE FRANCIS....

When we prepare a plate of food
and we see that it needs salt,
well, we “put on” salt; when it
needs oil, then you “put on” oil.
“To put on”, that is, to place on
top of, to pour over. And so it is
in our life, dear friends: if we
want it to have real meaning and
fulfilment, as you want and as
you deserve, I say to each one of
you, **“Put on faith”**, and your life
will take on a new flavour, it will
have a compass to show you the
way; **“put on hope”** and every
one of your days will be
enlightened and your horizon will
no longer be dark, but luminous;
“put on love”, and your life will
be like a house built on rock,
your journey will be joyful,
because you will find many
friends to journey with you.
