### Climate Change Campaign Message from CAFOD

The poorest countries are facing a health and an economic crisis. In addition, many are feeling the effects of climate change already. 2021 is a critical year as the UK is hosting two major global meetings – the G7 Summit in June and the UN Climate talks, COP26, in November. With the eyes of the world on us, we want the UK to play a leading role. CAFOD is suggesting two ways in which we can do this and have provided resources for both. Please support these:

- Parishioners signing a petition about climate which you can read here:
