St Luke, Evangelist and Healer 17 Oct

To Jesus Christ, the divine physician, let us pray:

*Open the ears of those who are deaf to your word, that they may hear and believe the good news of salvation.

*Bind up the wounds of the broken hearted, that they may rejoice in your love.

*Inspire compassion in the nations of the world, that they may open their borders and their resources to those exiled by war, famine, persecution and disease. (Personal intentions)

– **Our Father, who art in heaven**, etc.

God of mercy and compassion, you hold out to us the hand of Your mercy to raise us up from the misery our selfish sinfulness has brought upon us and upon those whose lives we touch.

Teach us to weep where we have caused weeping, to mourn where we have caused mourning, and to lift up what we have brought low.

In hope and trust, we turn to you for healing, through Jesus Christ Your Son, our Lord, who lives and reigns with You and the Holy Spirit, God, for ever and ever. Amen.
