GOD IN HEALTHCARE

The Healthcare system needs hope-filled, confident believers. As Christians, with the Holy Spirit inside of us we have a phenomenal resource that will enhance any healthcare provision that we can provide to our patients and the people and staff around us.

We can make a difference!

If you work in the health and social care sector and would like to connect with other Christians to provide motivation and encouragement and to seek God for each other and our Health Care System, contact: **Jacqueline Miller**-
